

A Year Ago Last Summer

from "A Messenger Named John"

Narrator: Jesus left Judea and returned to the province of Galilee. He had to through Samaria, past Jacob's well. Soon, a woman of Samaria came to draw water. Jesus told her that whoever drinks THIS water will thirst again, but whoever drinks the water that is GIVEN BY ME will never thirst. The water that JESUS gives will become within him a well of water, springing up with eternal life.
